## ENCAMPMENT AT STATE FAIR VALUABLE INSTRUCTION PROJECT

THREE HUNDRED TEXAS FARM BOYS AND GIRLS ARE TO PARTICIPATE IN IT

UNITED STATES DEPARTMENT OF AGRICULTURE IS INTERESTED

W. H. Stratton, Secretary.

The monster Educational Encampment for Texas Farm Boys and Girls, to be held in connection with the 1916 State Fair of Texas, October 14 to 23, will undoubtedly prove to be one

of the most interesting features of this year's State Fair. At the same time, the educational influence thus wielded will confer a distinct benefit upon three hundred boys and girls of the State.

All necessary plans and arrangements have been concluded by the Fair management in co-operation with the State Agricultural & Mechanical College and the U. S. Department of Agriculture, and it is stated that no detail will be lacking to insure the complete success of this movement.

W. H. Stratton, secretary of the State Fair of Texas, announced recently that three hundred scholarships in his encampment would be available—two hundred for boys and one hundred for girls, and that these scholarships would be awarded, upon a competitive basis, to the boys of the Boys' Agricultural Clubs, and the girls of the Girls' Canning Clubs, who make the best records in their club work during 1916. Secretary Stratton also stated that these scholarships would give the successful contestants an entire week at the Fair with all expenses paid, and that he would be glad to send a descriptive booklet concerning the Encampment to any boy or girl who would like to enter the competition.

## MODERN GULLIVERS

Some men stand out from the crowd as Gulliver towered over the Lilliputians. By superior energy, activity and reserve strength they predominate.

Feeling right within, is one of the fundamentals of physical and mental strength, and is largely the result of proper nourishment.

## GRAPE-NUTS

WITH CREAM

is the logical food for thinkers and doers. It contains all the nutriment elements of whole wheat and malted barley, is practically predigested, and supplies an abundance of energizing nourishment without overworking the stomach. It also includes the vital mineral salts of the grain which are lacking in white bread and many other cereal foods.

There's able help for many in GRAPE NUTS.

## FOOTBALL PRACTICE ON IN FULL SWAY COACH REED SATISFIED

(By Kilbourne)

With a husky bunch of prospectives gathered out on the football practice field, business was very carefully attended to yesterday afternoon. Practice has been carried on for a few afternoons previous to this, but not until yesterday did business really "pick up."

The boys were first put to the task of learning to catch punts, this proving to be a real task for some of them to catch on to. Then, they were put to falling on the rolling ball and catching and throwing passes. The former seemed to be just a little difficult at the beginning, but at last they got it down, and the latter was carried out to a much better extent than was expected. Next came signal and formation practice. However, this was carried on on a small scale. They seemed to know how and when to do the most important part of this, and, too, they worked out most pleasingly in the clause of speed. The signals were called out rather speedily, thereby causing actions to be carried out more quickly than is usual in the ordinary training. This was done in good form.

The main trouble with them seemed to be in fumbling the ball. They could get to the place, catch the ball and hold it for just a minute, then they would miff it, and finally would lose it. This, of course, will be overcome in a short while, with more and heavier practice, which will come steadily day by day.

There are several new boys with Chickasha this year. Quite a number, though, are last year's men, and this as may be expected, will hold up high spirits and good fellowship among the boys—this being an essential point to any body of persons representing the same cause. There is a large gathering out on the field and they have, in Coach Reed, a clean cut, aggressive and straight-forward man; making in all a fine coach and an excellent specimen of manhood—just the right kind for any boy to hold for an example.

Daily practice is going on at the corner of Eighth and Arkansas Avenue, and by the time the first whistle blows on the day of September 29th, we all shall expect to see a fine bunch of football players.

Like those hot biscuits  
on Sunday night—they satisfy!

"Please pass the biscuits." And as those hot, crisp morsels melt in your mouth, they certainly do taste good. Best of all—they satisfy. Just what Chesterfields do for your smoking—they satisfy!

But, Chesterfields are *MILD*, too!

For the first time in cigarette history, you are offered a cigarette that *satisfies*, and yet is *mild*. Chesterfield!

Smokers realize that this is *new* enjoyment for a cigarette to give. And no other cigarette can give it to them—because no cigarette maker can copy the *Chesterfield blend*!

Today—try Chesterfields.

### Chicago Grain.

Chicago, Sept. 18. — Decreasing stocks in Liverpool and at the big primary markets on this side of the Atlantic tended today to lift the price of wheat. The market closed strong 1-1/2c to 1-5/8c net higher, with December at \$1.45 1-2 to \$1.49 3-4 and May at \$1.49 1-2. Corn finished 3-4c to 1c up and oats with a gain of a shade to 1-4c and 3-8c. In provisions the outcome varied from 1/2c decline to a rise of 1 1/2c.

### New York Cotton.

New York, Sept. 18. — There was a very sharp and more or less excited advance in the cotton market here to-

day with December contracts selling up to 15.80c, or 38 points above Saturday's close and 91 points above the low level of a week ago. Closing prices were steady within 2 or 3 points of the best and from 33 to 76 points net higher.

### Fort Worth Live Stock.

Fort Worth, Tex., Sept. 18. — Cattle — Receipts 7000; steady; but 10 to 15 cents lower; steers, \$6 to \$8. Hogs — Receipts 4000; 5c higher; steady; bulk \$10.55 to \$10.75. Sheep — Receipts 1,000; steady; lambs \$9 to \$9.50.
